

FPA without due delivery (Backup solution)

SupplyOn

The upcoming slides will guide you through creating a Forwarder Pickup Advice (FPA) when Real demands (from the plant's SAP system) are unavailable in SupplyOn. Please remember, this method should be used only as a temporary solution until Bosch rectifies the settings.

Create FPA

-  Main Step
-  Optional/Conditional Step

FPA without a Due Delivery? [Create](#)

1 applied search criterion ✕

[Advanced search](#)

[View](#)

☐	Organizati...	Customer	Site code (ship-to)	Ship-to site	Unloading point (ship...	Currency	FPA requir...	FPA exists	Available f...	With mate...	Earliest ASN creation
No content available											

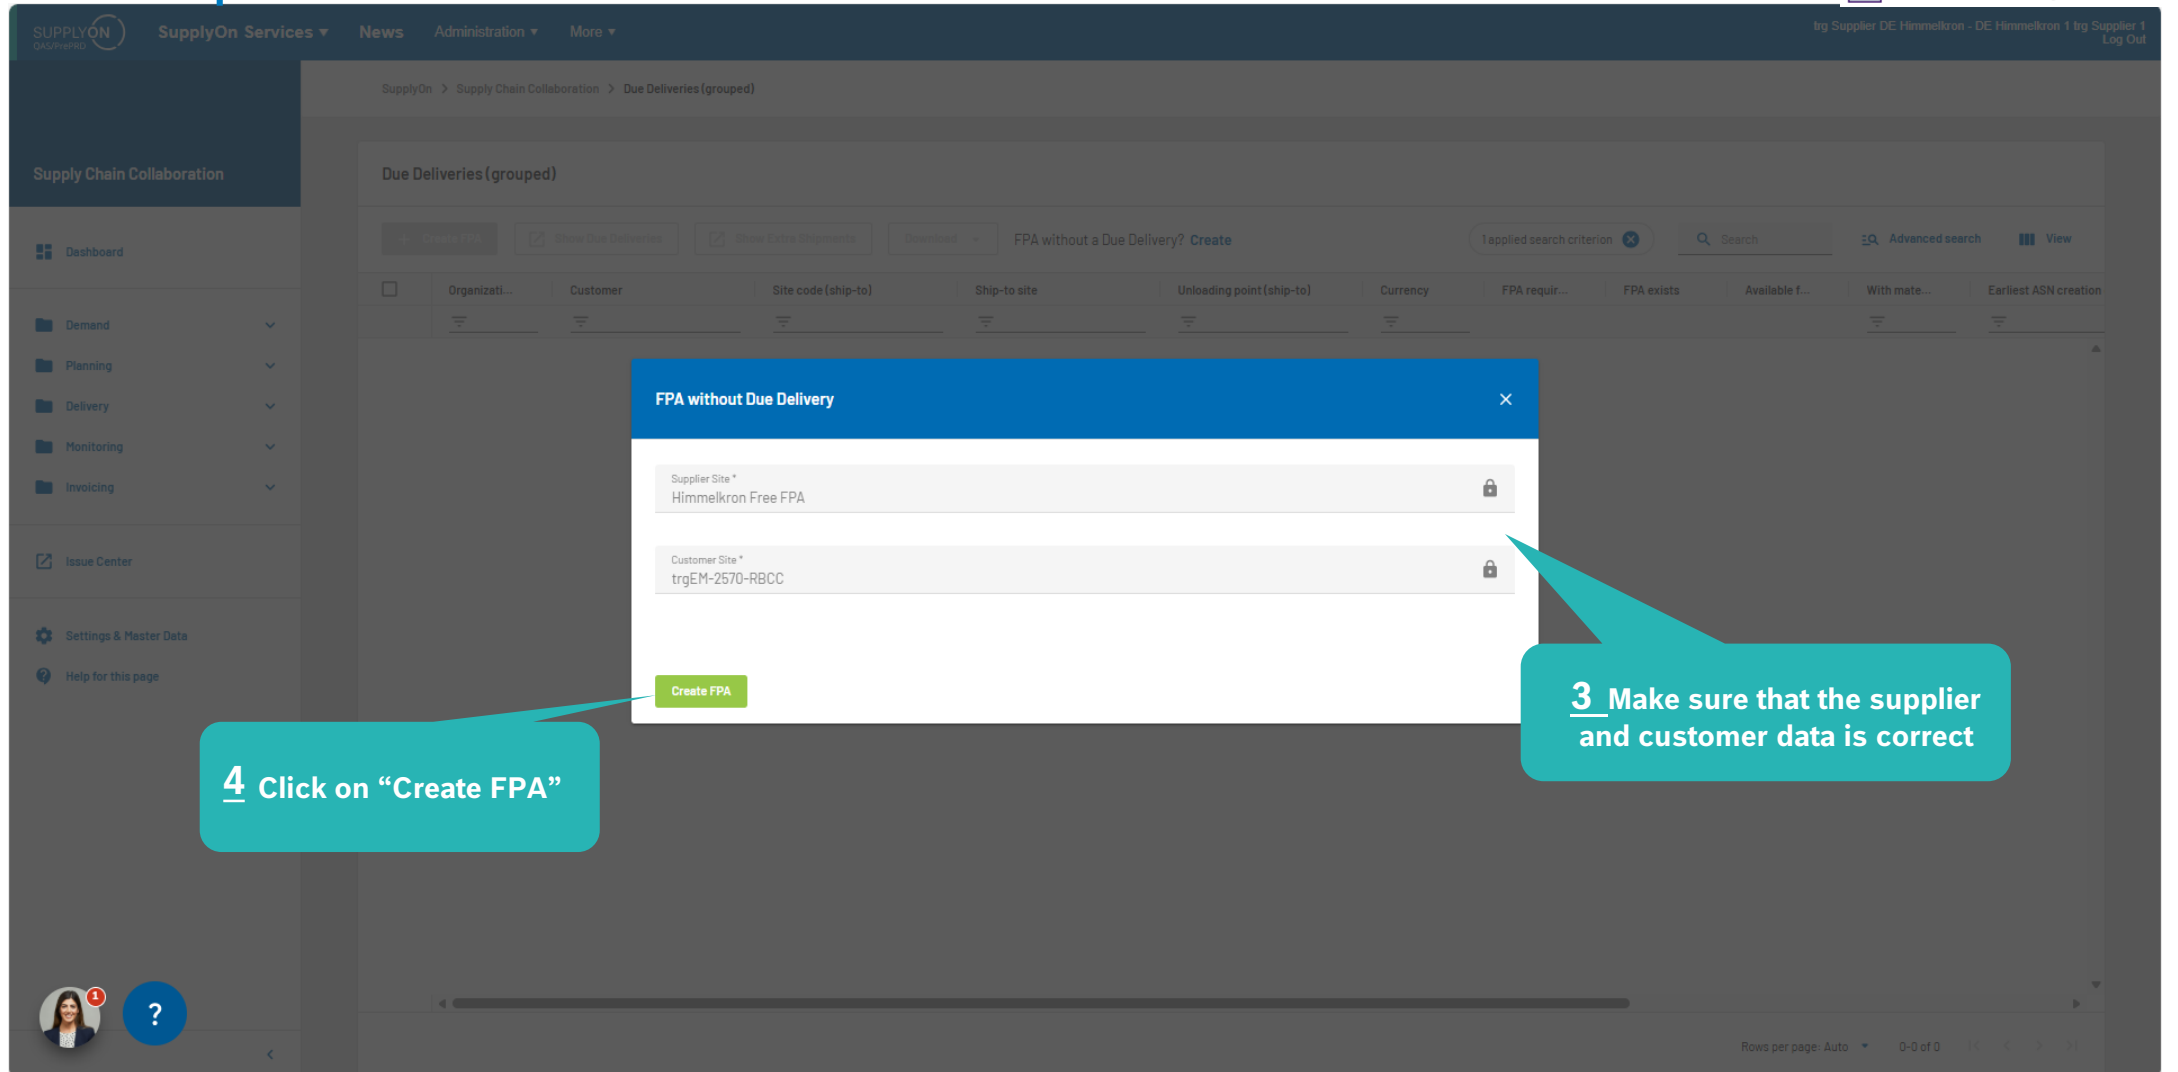

Rows per page: Auto 0-0 of 0

Starting point: You do not see here the relevant Bosch plant's demand line even after deleting the search criteria. Till our team fixes the issue, follow the steps.

2 Click on "Create" in order to start the FPA creation without due delivery

Select plant and create FPA

-  Main Step
-  Optional/Conditional Step
-  Further details/information

The screenshot shows the SupplyOn web application interface. The top navigation bar includes the SupplyOn logo, 'SupplyOn Services', 'News', 'Administration', and 'More'. The user is logged in as 'trg Supplier DE Himmelkron - DE Himmelkron 1 trg Supplier 1' with a 'Log Out' option. The left sidebar shows the 'Supply Chain Collaboration' menu with options like Dashboard, Demand, Planning, Delivery, Monitoring, Invoicing, Issue Center, Settings & Master Data, and Help for this page. The main content area is titled 'Due Deliveries (grouped)' and contains a table with columns for Organization, Customer, Site code (ship-to), Ship-to site, Unloading point (ship-to), Currency, FPA requirement, FPA exists, Available for, With material, and Earliest ASN creation. A modal window titled 'FPA without Due Delivery' is open, showing fields for 'Supplier Site *' (Himmelkron Free FPA) and 'Customer Site *' (trgEM-2570-RBCC), both with lock icons. A green 'Create FPA' button is at the bottom of the modal. Two callout boxes provide instructions: '4 Click on "Create FPA"' points to the button, and '3 Make sure that the supplier and customer data is correct' points to the data fields.
